CORPORATE PROGRAM

Employees that are able to balance home and work responsibilities are happier and more productive employees. Research has shown that employee absenteeism is often affected by a parent's lack of child care options. By enrolling in AMT Family Matters Program, you are providing employees the confidence in knowing their children are well cared for throughout their workday.

The AMT Family Matters Program offers a variety of options for parents including:

- Tuition discounts of 5-15%
- Full time and part-time child care
- Full day and half-day options
- Back-up child care when regular care-givers are not available
- Summer Camp, School-Break and After-School programs
- Special hours of operation available for scheduled corporate events
- Enrollment at any time throughout the year

Offering the AMT Family Matters Program is a quick and simple process. There are no minimum enrollment numbers to meet and the program can begin at any time during the year. Corporations choose their level of sponsorship and an agreement is signed between the corporation and the center for a one-year period. Our Enrollment Specialist will customize this program to meet your company's needs.

The AMT Family Matters Program includes:

- Customized Communication and Enrollment Materials
- Quarterly Open Enrollment Meetings
- Private Center Open Houses
